

SHARE & EARN PROGRAM

We are aware that carrying out all the activities in terms of marketing and business promotion requires some assistance and alliance from the second party for better management of services and for providing quality service. Keeping this in view we welcome alliance from individuals and companies who are working in similar field like us and are interested in partnering with us for tendernotice.com.np - our latest cloud based tendering software.

for the benefit of both the parties working together, we provide opportunity for individual or company interested in promoting tendernotice.com.np.

REFERRAL PARTNER

You can refer clients to us and our trained and professional staffs will carry out necessary tasks required in subscription process. You will be entitled defined commission for each referral. You are required to maintain certain number of clients on specified period and receive enhanced benefits. Or you can simply refer clients as per your ease. We deal with the customers and cut you a commission check. Coming together as a referral helps you earn in an easy way.

TRUSTED PARTNER

Becoming a trusted partner you will be responsible for dealing with your clients in a defined geography and be responsible to offer continuous support if necessary. This helps you to keep in constant touch with your clients and also help you get a steady stream of revenue. You will help to increase number of subscribers and we will provide certain percent of commission.

CO-BRANDING PARTNER

Apart from referral and trusted partnership, we also provide co-branding partnership. We believe that co-branding provides a way to combine forces so that the marketing efforts work in synergy. If you are interested in co branding with us come together and enhance your service exposure. Co-branding helps to promote both the brands that come together. So we aim at co- marketing by coming together in co-branding partnership for business promotion.

Partnership Program Benefits

- **Contribute in promotion through advertisement in local newspaper**
- **Provide adequate brochures, catalogues and pamphlets**
- **Promote partner through various media: Website, facebook, newspaper ad etc.**
